FIXALL Is So Easy To Use

Just slip on an apron, open the can and start the beautifying process. Almost like magic you see the results.

Apply it to anything dingy around the home. It renews the natural color or changes the wood to any desired shade.

A 15c can will refinish a chair or small table. The 75c size holds eight times as much and will renew all the furniture in the room.

The gallon can, which costs \$2.50 is enough to go over the floor, chairs and all the woodwork in a room.

Louisville Varnish Company, Incorporated
LOUISVILLE, KY.

1/2 pint 15c, up to gallons at \$2.50
